**Subject:** Portland Harbor FS Section 4

Scott – Here is the final version of Section 4 for you to have edited. Please update all quantities to match those being updated in Section 3.

I've attached some of the tables. I still need to work on Section 4.3 tables.

I've attached all the figure files. Here is their order, titles (note that some have changed) and any instructions.

4.1-1

Title: Benthic Risk Area Exceeding RAO 5 PRGs

Legend: change "above" to "greater than"

4.1-2

Title: Sediment Decision Units and Focus COCs

Legend: change "key" to "focus"

4.2-1(a-c) – Can you add the table numbers to the figure titles? For example:

4.2-1a. Residual Human Health Cancer Risk for RAO 1 at Year 0 – East – Rolling Avg 0.5 mile

If so, then delete line added at bottom of page.

4.2-2 RAO 2 cancer site-wide

4.2-3 (a-d) – again, can you add tables numbers to figures?

Delete the site-wide panel

4.2-4 RAO 2 Non-cancer Hazard site-wide

4.2-5(a-d) – RAO 2 again, can you add tables numbers to figures?

Delete the site-wide panel

Delete “child” from all figures and titles

4.2-6 RAO 2 Non-cancer Hazard (Infant) site-wide

4.2-7(a-d) RAO 2– again, can you add tables numbers to figures?

Delete the site-wide panel

4.2-9(a-e) through 4.2-17(a-e) RAO 6 figures – again, can you add tables numbers to figures?

4.2-18, 20, 22, 24, 26, and 28 RAOs 4 & 8 Figures

4.2-19, 21, 23, 25, 27 and 29 RAO 5 Figures

Titles: Benthic Risk Area Exceeding RAO 5 PRGs – Alternative B

Let me know if you have any questions.

Thanks,
